Dear Mr. Bush:

I appreciate your kind letter of June 11 and accept with pleasure the invitation to address the pre-convention meeting of the National Security Commission of the American Legion on Friday, August 21.

As you can appreciate, I am not always master of my own movements and I might possibly have to be abroad later this summer. However, I do not contemplate leaving until later in August. I know you would understand if there should be a change in my plans which I think most unlikely.

Faithfully yours,
